A well-managed forest is a resilient forest!

Join us for a landowner tour exploring the latest on good forest management and how to best prepare and recover from the next storm:

- Selecting the right tree species and planting stock
- Improving the stand to enhance forest health and wildlife habitat
- Preparing for and recovering from hurricanes and other natural disasters
- Sources of assistance
- and more

Register: Cost is \$15 per person, lunch and materials included. Register online at <https://fls-tour032323.eventbrite.com>. **Space is limited so register soon!** For more information contact Chris Demers, cdemers@ufl.edu, (352) 846-2375; or Cathy Hardin, Cathy.Hardin@fdacs.gov, (850) 587-5237.
