
Florida Land Steward Tour: Property of Gus Andrews

Walton County, Florida

Date: Monday, October 7, 2024

Meet at the property at 8:00 AM CT

Lunch included and served following the tour. See reverse side for directions to the property.

Join us for a tour of the great property of Mr. Gus Andrews. Since Gus purchased the land in 2007, he has been working to improve the habitat for Bobwhite quail, white-tailed deer, and turkey. To help reach his goals, he has worked with Florida Fish and Wildlife Conservation Commission, Tall Timbers, and the USDA Natural Resources Conservation Service. Mr. Andrews has learned a lot by implementing fire, chemical treatments, and mechanical treatments to manage the land; planting pines, maintaining hardwoods, and controlling invasive species such as feral hog, cogongrass and others. Mr. Andrews has done tremendous work and wants you to come see it and learn from his fun and rewarding journey.

This event is provided by the Florida Fish and Wildlife Conservation Commission, Florida Forest Service, USDA Natural Resources Conservation Service, UF/IFAS Extension, Florida Land Steward Program, Tall Timbers, The Longleaf Alliance, Beard Equipment, Farm Credit of Northwest Florida, and other partners.

Register: Register online at <https://fls-tour-2024-10-07.eventbrite.com>. Lunch included and provided by Farm Credit and Beard Equipment. **Space is limited so register soon!** For more information contact Ian Stone, ian.stone@ufl.edu, (850) 892-8172.

Funding for this event is provided by the Florida Department of Agriculture and Consumer Service's Florida Forest Service, and the Florida Sustainable Forestry Initiative Implementation Committee.

University of Florida IFAS is an Equal Opportunity Institution
