Use this worksheet to organize your consumer debt. This information will then be readily available for use with PowerPay.org and other debt management activities

- What is your monthly surplus? $\qquad$
- List money you may be expecting that you will use to make one-time payments toward debt. This includes tax refunds, gifts, etc.

We need certain details about your non-mortgage debt such as credit cards, car loans, and others, too.

|  | Name of Debt | Type of Debt <br> (Auto, CC, etc.) | Balance \$ | Monthly Payment <br> \$ | APR \% | Still charging? <br> Y/N | Late in last <br> year Y/N |
